

Halloween Pumpkin Decorating Contest

Grades 4-7

Contest Rules:

~NO CARVING OR PIERCING OF PUMPKINS ALLOWED AT ALL

In the past toothpicks and dowels have been allowed to secure items to pumpkins. However, **due to an incident in which a pumpkin began rotting**, we are no longer allowing the pumpkins to be pierced in any way. Be creative!

~Pumpkins may be registered in the Family Center between **8:00 and 8:30** the morning of **Wednesday, October 28th** (volunteers can not be responsible for any students arriving before regular school take-in time at 8:00). Enter through the door nearest the church.

~Students **should not** label their pumpkins with any identifying information.

~Students will need to fill out a **registration form** (see below) to help with the check-in process. It should include the **student's name, class section, and title of pumpkin display**. Registration forms should be turned in with pumpkins on the morning of October 28th.

~Pumpkins must be picked up from the Family Center between **3:30 and 4:00 on Friday, October 30th** or brought home that day. Any pumpkins left after this time will be discarded.

Please detach and bring this form with your pumpkin the morning of October 28th, 2020 between 8:00 and 8:30 to the Family Center. Enter through the door nearest church.
