St. Genevieve Catholic School (Pre-K – 7th), an educational ministry of St. Genevieve Parish, exists to further the teaching mission of the Roman Catholic Church. We strive to nurture the child in all developmental areas – spiritually, intellectually, physically, socially, and emotionally. Living and teaching Gospel values, we work to build God’s Kingdom.

Mission Statement of St. Genevieve Catholic School

DID YOU KNOW ...

...that we have a rendering of the proposed new Media Center displayed in the school office and in the vestibule of church. We have enjoyed watching children coming to the office and studying the picture. They are excited about the prospect of having a new library, computer lab, and band/music room. Stop in for a look!

...that Bishop Fabre and the Diocese of Houma-Thibodaux provided funds for grant opportunities intended to provide safe and secure environments for our schools and church parishes in December. We applied and received a grant for \$28,500.00 that will be used to renovate the exterior walls on the church side of school in the same design as the renovations last summer on the parking lot side of school. We are so grateful for these funds that will make our school safer and energy efficient.

...that we cannot overemphasize the importance of the presentation by Lafourche Parish District Attorney Kristine Russell on Tuesday, February 19th at 6 PM in the Family Center. Her presentation will cover how to protect our children online, particularly hidden apps that are targeting our children, sexting, etc. Please make every effort to attend this meeting.

...that several of our students participated in the annual Catholic Daughters National Education Contest. Students submitted work in many categories: essays, poetry, art, and photography. Congratulations to the winners of the 2019 Catholic Daughters National Education Contest:
