

UPDATE ON ALEKS:

If your child is at a point where they are having difficulty moving forward please note:

- ❖ Your child can also use some of their time reviewing facts by:
 - Clicking on the three lines at the top left
 - Then on Quick Tables
 - Next choose which facts you are wanting to review
- ❖ You can also log in then:
 - Click on continue by path
 - It will open in the explanation page
- ❖ Please note the drop down arrow at the top left of the page. This will bring you to your child's Learning Carrousel. Here the student can change to another topic.
- ❖ Please DO NOT assist your child with ALEKS. We want the program to regenerate problems on their level-not the level of the parent.

IF YOU ARE HAVING TECH PROBLEMS, THE TECH SUPPORT NUMBER IS (1-714-619-7090).
