Helpful Hints For A Successful Homecoming Week

- **Be Smart and Safe**

- Think before you participate in activities that could cause harm and/or damage to others or their property.

- **Dress Appropriately**

- Shorts must be of decent length (two inches above the knee)
- **No tights or spandex** unless under an appropriate length tutu (two inches above the knee)
- If you have a question about attire, ask Mrs. Miller; If you didn't get a chance to ask, then don't take a risk.

- **AT ANY TIME, IF REPORTED TO THE SCHOOL, RULES AND REGULATIONS ARE NOT BEING FOLLOWED, ALL ACTIVITIES FOR THE WEEK WILL BE DISCONTINUED!!!!**

Homecoming Dance Dress Guidelines

We ask the young ladies attending the Homecoming Dance to select dresses that adhere to Christian modesty.

Basic guidelines:

- Dresses can be formal or semi-formal
- Dresses should not have cutouts exposing the abdomen or lower back...even if there is nude fabric to cover those exposed areas.
- The back of the dress should cover the bra strap
- The length should be appropriate so that the girl can sit down without revealing her buttocks or upper thigh
 - Check the length with the heels being worn
- The way the dress fits the individual is also very important. Certain styles are made for certain figures.

We urge the parents to help with these guidelines since you are shopping with the girls and most likely paying for the dress.

Boys who are inviting a date from another school should convey these expectations to their date.
